UPCOMING PRODUCT – CHAIR

Refine

Experience gaming comfort

Fractal Refine is designed to provide a comfortable, versatile place to sit and become fully and enjoyably immersed in the gaming experience. Taking inspiration from modern gaming spaces, Scandinavian furniture design and research-led ergonomic science, it fuses the ergonomic comfort of high-end office chairs together with intuitive controls and an aesthetic designed to elevate the gaming station.

KEY FEATURES

Key features

- ▶ Enjoy the lasting comfort of foam cushioning or adaptive mesh, a memory foam headrest and soft, padded armrests.
- ▶ Introduce soft fabric, breathable mesh or Alcantara® to your gaming station paired with a clean yet dynamic design expression.
- ▶ Recline ergonomically with the synchro-tilt mechanism which moves in tandem with your body, supported by lockable tilt and adjustable tension.
- ▶ Find your ideal gaming position with 4D armrests, a height-adjustable headrest, and a height and depth-adjustable seat.
- ▶ Adjust the depth and height of the built-in lumbar support to optimize ergonomic comfort for your back.
- ▶ Designed to last with durable materials, a glass-fiber reinforced frame and sturdy aluminum wheelbase.
- ▶ Move fluidly with hubless casters made from materials which help absorb shock, reduce noise and protect floors.
